Canadian Railway Club

At the Annual Meeting in May, Mr. Jas. Powell resigned as Secretary, and MR. W. A. BOOTH, 131 CHARRON STREET, MONTREAL, was elected in his place.

In going over the membership book, the Audit Committee noticed that a number of members were in arrears.

This is considered a fitting opportunity of drawing the attention to those members whose dues are unpaid.

The new Secretary will be pleased to hear from any members in this connection, and also of any change in addresses.

Saving $5427 Per Year

Data taken from an actual test showed that the saving by the use of a Whiting Screw-Jack Locomotive Hoist, as compared with a drop-pit system, would amount to $5,742.0 per year. That's why so many roads are installing this hoist at Division Points. The

Chairman (Mr. T. C. Hudson):

Will you please come to order, gentlemen, and sign the cards which are on the tables? The next order of business is the reading of minutes of previous meeting. The Secretary informs me that these have been printed and distributed. We will therefore consider them as adopted, and I will declare that order of business closed.

New business. Under this heading I might read a letter I have received from our Secretary, Mr. Powell.

Montreal, 8th May, 1919.

Mr. T. C. Hudson,
President, Canadian Railway Club,
Montreal.

Dear Sir,—

It is with regret and reluctance that I tender my resignation as Secretary of the Canadian Railway Club, after many years of pleasant association. I have, however, retired from active railway work and have taken over duties which prevent me from devoting the necessary time and attention to the Club's affairs.

Since the inception of the Club I have taken an active interest in its work, being one of the first members and having acted on the Executive Committee since the beginning, and shortly afterwards taking over the position of Secretary, which I have filled for many years.

It has always been my object to advance the interests of the Club, and I have watched its growth from very small beginnings to its present large membership and high standing in railway circles.

During my term of office I have been most ably supported by the various Executive Committees and by all the members of the Club, and I hope to continue the many friendships and associations I have made.

Although no longer actively engaged as an officer of the Club it will be my aim to do all I can to assist my successor

and to promote the general welfare of the Club, which I feel confident will in the future be maintained.

Yours very truly,
(Sgd.) JAS. POWELL,
Secretary.

I am sure it is with extreme regret that we accept this resignation from our Secretary, but he has taken up duties in another field which require all his time and there is no other recourse open to us. On behalf of the Club I wish to say that we all deeply appreciate the many years' service rendered by Mr. Powell, and to thank him for the loyal support he has given.

Secretary:

Mr. President and fellow members, it almost breaks my heart to send in this resignation and part from you and my duties in connection with this Club, but, as stated in that letter, the work has become heavy, there now being about 1,100 members, and with my new duties I am unable to afford the time necessary to handle it.

Chairman:

Next order of business is the announcement of new members.

Secretary:

NEW MEMBERS.

Mr. President and gentlemen: The following applications for membership have been submitted:

Herbert Clark, Resident Engineer, Canadian National Railways, Edmundston.
J. A. Brean, Train Despatcher, Canadian National Railways, Edmundston.
George Topping, Conductor, Canadian National Railway, Chaudiere Junction, Levis, P.Q.
Thos. Maynard, St. Lawrence Ave., St. Lambert, P.Q.

Chairman:

You have heard the applications. What is your pleasure?

Mr. Cunningham:

I move they be accepted.

Mr. Hunter:

Seconded.

Chairman:

It has been moved by Mr. Cunningham, seconded by Mr. Hunter, that these applications be accepted. Are all in favor? Carried.

The next order of business will be the reading of the report for the past year by the Secretary.

Secretary:

Mr. President and Gentlemen,—

I have much pleasure in presenting the Seventeenth Annual Report of the Club. The financial statement in your hands shows that the Club, as in the past, is in a prosperous condition. The membership has been largely increased and the interest taken at the meetings in the subjects presented for discussion has been very gratifying and of great value to all concerned.

We have at present a membership of nearly 1,100 as against 883 last year. This is due to the good work of a few of the members in inducing their friends to join, particularly to our genial friend Mr. Nix, who introduced one hundred and twenty new members at one meeting; and his efforts have been ably seconded by others. I would suggest, however, that the members do not leave it to one or two of their number to do all the canvassing, but that each one should endeavor to bring in new applicants.

Referring again to the financial statement in your hands, during the past year the Club has taken up an allotment of one thousand dollars of five per cent Twenty Year Victory Bonds, on which six hundred dollars has already been paid; and at the close of the year we had on hand a bank balance of $464.09.

It will be noticed that the printing expenses have considerably increased, being $500.00 in excess of last year. This is due principally to the increased cost of labor and material, and partly also to the nature of some of the papers presented, which necessitated the insertion of plans and diagrams. You will also note that certain donations were made to various patriotic causes during the war.

The item of entertainment also shows a large increase over the previous year. This is due to the fact that the annual dinner (which had been suspended owing to war conditions) was held as had formerly been done; and there is no gainsaying the fact that this year it was a great success, from the point of view of gaiety, oratory—and gastronomy.

In regard to the membership dues, I would like to suggest that the members take to heart the matter of paying these promptly after the first of May in each year. It means a great deal of work, to say nothing of very considerable expense for postage if the Club has to repeatedly solicit and circularize the members for their dues; and in this connection I may say that it appears to be a habit with the majority to postpone payment until the end of the year instead of attending to

the matter at the beginning. This suggestion is made in all good feeling, and I am sure that you will appreciate my meaning and do what you can to save labor and expense in this regard.

The meetings of the Executive Committee have been most excellently attended and your affairs have been governed wisely and well by the Committee, the President and officers having taken a most active interest in the business of the Club throughout the year.

Unfortunately, at the commencement of the season we sueffred a very great loss in the untimely death of our newly elected President, Mr. Van Buren, who had initiated an excellent programme for the advancement of the Club during his expected term of office; and his loss was most keenly felt by all.

His duties as president fell upon the shoulders of our then Vice-President, Mr. T. C. Hudson—who will allow me,, I am sure, to state that he has most ably and energetically filled the office for the remainder of the term.

We have to thank the management of the Windsor Hotel for its efficient service at our entertainments and for the use of the room for our meetings.

You will be called upon to-night to elect officers for the ensuing year; and the Nominating Committee elected at the last annual meeting will present its report.

I have now to touch upon a more personal matter. As I have already stated in a letter to the President, this will be my last night amongst you as your Secretary.

A short time ago I gave up active railroad work, having retired from the position I had held in the service of the Grand Trunk Railway for over thirty-six years. I have since accepted a position in connection with the vocational training classes for the civil re-establishment of returned soldiers, as instructor in mechanical drawing; and my duties in that connection prevent my continuing to devote to the service of the Club the time and attention necessary to properly carry on the secretarial work—and you will probably appreciate the fact that the secretaryship is no mere sinecure!

I have to thank the members for their support during my long term of office and for the hearty good feeling which has existed between us at all times.

Secretary:

I have much pleasure in moving the adoption of this report.

Mr. G. M. Wilson:

Seconded.

Chairman:

It has been moved by the Secretary, seconded by Mr. Wilson, that the Secretary's report be adopted. All those in favor please signify in the usual manner. I declare the motion carried unanimously.

Chairman:

The next order of business is the report of the Nominating Committee appointed at our last meeting to nominate officers for the ensuing year. I might say that while it has been customary to have this Nominating Committee this does not debar any member from nominating any other member of the Club whom he may choose. I will ask the Chairman of that Committee, Mr. Wilson, to read his report.

Mr. Wilson:

The report of the Nominating Committee for officers for the year 1919-1920 is as follows:

President—Mr. J. Hendry.

1st Vice-President, Mr. W. H. Winterrowd.

2nd Vice-President—Mr. C. H. N. Connell.

Executive Committee—Mr. A. C. Crumpton, Mr. E. A. Nix, Mr. B. F. Shortly, Mr. T. R. Battley, Mr. R. A. Pyne, Mr. W. H. Sample.

Audit Committee—Mr. W. H. Langridge, Mr. G. M. Wilson, Mr. R. H. Harvey.

Secretary—Mr. W. A. Booth.

Treasurer—Mr. E. E. Lloyd.

Chairman:

It becomes necessary to appoint Scrutineers before we go any further and I have pleasure in selecting Messrs, McVeigh, Hunter and Cunningham to act in this capacity. While the battots are being prepared I wish to make a few remarks regarding the resignation of our Secretary, Mr. Powell. The Executive officers felt that they could not allow him to retire from his duties without presenting him with some token of

their respect and esteem. On behalf of the Club I have much pleasure in presenting Mr. Powell with this handsome piece of silver.

Secretary:

Mr. President and fellow members, I did not really work for this. I worked for your good feeling and trust it represents your good feeling towards me. I shall always look upon it as an emblem of your good will and kindness. I thank you, one and all.

Chairman:

The first office is that of President. You have heard the nomination, Mr. J. Hendry, General Master Car Builder of the Grand Trunk. The meeting is now open for nominations for this office.

Mr. Purdy:

I will move that one ballot be cast by the Secretary for the office of President.

Mr. Spence:

I second that motion.

Chairman:

It has been moved by Mr. Purdy, seconded by Mr. Spence, that the Secretary cast one ballot for the office of President. Are all in favor? I declare the motion carried unanimously.

A Scrutineer:

Mr. President and members, your Scrutineers beg to announce the election of Mr. Hendry as President of the Club.

Chairman:

Mr. Hendry is not here to-night. He could not possibly attend the meeting, but on his behalf I thank you for his election.

Next is the office of 1st Vice-President. Mr. Winterrowd has been nominated. Are there any other nominations?

Mr. Blumenthal:

I move that the Secretary cast one ballot for the office of 1st Vice-President.

Mr. Winterson:

I second that.

Chairman:

Moved by Mr. Blumenthal, seconded by Mr. Winterson, that the Secretary cast one ballot for the office of 1st Vice-President. Are all in favor? I declare the motion carried unanimously.

A Scrutineer:

Your committee announces the election of Mr. Winterrowd as 1st Vice-President.

Chairman:

I am glad to announce the election of Mr. Winterrowd. It has been customary, on the election of a new President, for him to come forward and take the chair. In the absence of Mr. Hendry I will ask Mr. Winterrowd to come forward and assume those duties.

Mr. Winterrowd:

Gentlemen, I cannot say very much except to thank you sincerely for the honor you have conferred upon me. I will do everything in my power to assist the President, and to make this coming year for the Club one of the best we have ever had. I thank you very much.

Chairman (Mr. Winterrowd):

Next in order will be the election of the 2nd Vice-President. Mr. C. H. N. Connell has been nominated by the committee. Are there any other nominations? If not, I think it will be in order to move that the nominations be closed.

Mr, G. F. Hudson:

I move that the nominations be closed and that the Secretary be instructed to cast one ballot for the office of 2nd Vice-President of the Club.

Mr. Rogers:

I second that motion.

Chairman:

Moved by Mr. Hudson, seconded by Mr. Rogers, that the Secretary be instructed to cast one ballot for the office of 2nd Vice-President. All in favor please signify in the usual manner.

Carried.

A Scrutineer:

Mr. Chairman, your committee begs to announce the election of Mr. C. H. N. Connell as 2nd Vice-President.

Chairman:

Next in order is the election of the Executive Committee. You have already heard the names recommended by the Nominating Committee, and I believe it has been customary in the past to elect this committee in its entirety. If there are no other nominations a motion to this effect will facilitate matters.

Mr. Craigie:

I move that one ballot be cast for the election of the Executive Committee as nominated by the Nominating Committee.

Mr. Sharp:

Seconded.

Chairman:

It has been moved by Mr. Craigie, seconded by Mr. Sharp, that one ballot be cast for the election of the Executive Committee as already nominated. All in favor please signify in the usual way. Carried.

A Scrutineer:

Your committee begs to announce the election of the Executive Committee, composed of Messrs. Crumpton, Nix, Shortley, Battley, Pyne and Sample.

Chairman:

I have much pleasure in announcing the appointment of this Executive Committee. It is a pretty big committee to expect every member to get up and make a speech on his election, but I remember when I was elected to that committee someone suggested that as I was the youngest member I should make reply for the others. I believe Mr. Battley is the youngest member. He is not here, and as I understand Mr. Pyne is the next youngest member, I will call upon him.

Mr. Pyne:

I never liked to play and never have played "second fiddle," and I am sorry to have to take issue with you when you pick out Mr. Battley as being the youngest member of the committee. I think I am the youngest in years although probably

not the youngest in connection with the Club. The notice that was issued asking us to attend this meeting definitely stated that there would be no speeches but lots of drinks and smokes. I do not want to take up any of your time, but someone was good enough to put me on the Executive Committee last year. I had the pleasure of attending two of the meetings, and I will make the confession that they were two in succession, and I must admit if I had known what I was missing by non-attendance I would have had one hundred percent in attendance. We need co-operation and support in this Club. The Secretary mentionel to-night how one member had made a record in bringing members into the Club. We should all bring in at least one new member, and with the present membership of 1,100, if every man brought in a new member what an increase in membership that would be, and what little effort would be required. That is one of the elements necessary for the success of the Club. We must have your support in the matter of attendance also and in the discussion of the various papers that are presented. All these things go to make up the requisites of an active and successful club. I would ask on behalf of the officers of the Club your loyal co-operation and support in the attendance and discussion of the papers. I have said more than I intended. So far as I am personally concerned I shall work in such a way for the Club's benefit that you will not regret my election.

Chairman:

Next is the election of the Audit Committee. Are there any nominations?

Mr. Boughton:

I move that the Secretary cast one ballot for the election of the Audit Committee.

Mr. G. F. Hudson:

I second that.

Chairman:

Moved by Mr. L. Boughton, seconded by Mr. G. F. Hudson, that the Secretary be instructed to cast one ballot for the election of the Audit Committee. All in favor please signify in the usual manner. Carried.

A Scrutineer:

Your committee reports the election of the Audit Committee composed of Messrs. Langridge, Wilson and Harvey.

Chairman:

Next is the office of Secretary. The Nominating Committee have suggested Mr. W. A. Booth. Are there any other nominations? If not I would suggest that a motion be made.

Mr. H. P. Swinton:

I move that one ballot be cast for the office of Secretary.

Mr. McPherson:

I second that motion.

Chairman:

Moved by Mr. Swinton, seconded by Mr. McPherson, that one ballot be cast for the office of Secretary. Are all in favor? Carried.

A Scrutineer:

Your committee begs to announce the election of Mr. W. A. Booth as Secretary of the Club.

Chairman:

I have pleasure in declaring Mr. Booth elected.

Mr. Booth:

Mr. President and gentlemen, I appreciate this appointment very much. I realize I am following a good man in Mr. Powell, one who has served the Club faithfully for a long time. I shall do all in my power to give satisfaction.

Mr. Powell:

I do not want to make a speech, but merely wish to compliment Mr. Booth, and to assure you that he will give satisfaction.

Chairman:

Next is the appointment of the Treasurer. The Nominating Committee have suggested Mr. Lloyd as Treasurer of the Club for the ensuing year. Are there any other nominations?

Mr. T. C. Hudson:

I move that one ballot be cast by the Secretary for the office of Treasurer.

Mr. Purdy:

Seconded.

Chairman:

Moved by Mr. Hudson, seconded by Mr. Purdy, that the Secretary cast one ballot for the office of Treasurer. Are all in favor? Carried.

A Scrutineer:

Mr. Chairman, I beg to advise that one ballot has been cast electing Mr. E. E. Lloyd as Treasurer of the Club for the ensuing year.

Chairman:

Gentlemen, I believe that completes the programme in so far as the election of officers is concerned, but we should thank the Scrutineers for the duties they have performed. I therefore beg to thank them for the work they have done.

Secretary (Mr. Powell):

It has been customary at the last meeting of the year to present the retiring President with a jewel, and we would like to have this presentation made by one of the Past Presidents.

Chairman:

I believe Mr. King is in the room and I would ask him to kindly come forward and make this presentation to Mr. Hudson.

Mr. S. King:

I believe in fair treatment, gentlemen, but I submit it is not fair treatment to bring a man who is naturally weak before a company of good looking fellows, sturdy of heart, and expect him to make a fitting speech on an occasion of this kind. I will, however, do my best. I presume this emblem is similar to the one I am wearing to-night and I wear this with pride, for I believe the Canadian Railway Club has risen to a point where it has reason to be proud. You can take the wings of the morning and fly to the uttermost parts of the Dominion of Canada and there you will find representatives of the Canadian Railway Club. In both east and west the proceedings of this Club are read and digested by all classes of men to their benefit, and I am reminded of the statement by our Secretary at this meeting that the membership has now risen to about 1,100. There is nothing succeeds like success and in making this presentation to your retiring president, I do so with the heartiest wishes that he will wear it for many years to come.

I will ask for three cheers for the retiring President. (Three cheers and a "tiger" were given by the members, hearty applause following.)

Mr. Hudson:

Gentlemen, I wish to thank Mr. King for his kind words in making this presentation, and wish further, to thank the officers and members of the Club for their courteous kindness and steadfast support throughout the year. We entered the year, as you know, under difficult circumstances, and when I was elected to the chair as a result of the death of Mr. Van Buren, I made a strong plea to the members for their hearty co-operation, as without that co-operation it was almost impossible for any one man to advance the interests of the Club. I would ask for that same co-operation for the incoming President, Mr. Hendry, and the same loyal support you have given me. If you will do this, there should be no question about exceeding the year which has just passed in the point of membership and the general success of the Club. I have held office in other organizations and societies, but there is no badge or jewel of office that I have received during the years that have passed that I appreciate and value more than this emblematic jewel that has been presented to me here to-night. Again thanking you, one and all, and hoping you will have an enjoyable evening.

The members then adjourned to the Rose Room, where a most enjoyable "Smoker" was held, entertainment being provided by various members of the different vaudeville companies at present in the city. Major Robins delivered an eloquent speech on current topics, which was loudly applauded, and the Concert Committee were heartily congratulated on the success of the evening.

JOURNAL BEARINGS

SAVE COAL by keeping the heating surfaces of your boilers free from scale. One-sixteenth of an inch of scale increases your coal consumption 10.8%.

SAVE WATER AND COAL by reducing the number of times it is necessary to open blow-off cocks to keep the concentration below the foaming point. You are blowing out one pound of coal each second a one and one-half inch blow-off cock is held open.

SAVE BOILER REPAIRS by reducing the amount of work made necessary by leaks caused by scale in your scale-forming water districts, and unnecessary expansion and contraction caused by frequent washing and water changes in your foaming districts.

These savings can be effected by adopting the Dearborn System of Water Treatment. The cost is fifty per cent less than any other system now in use.

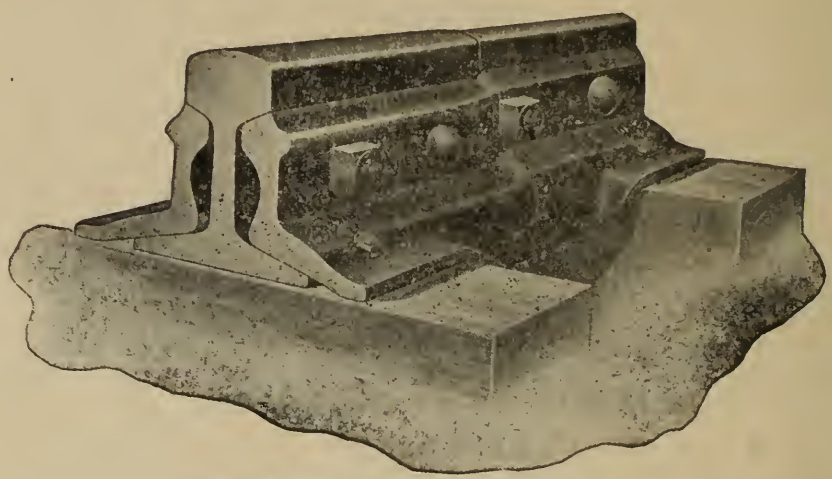
A perfect and uniform step wins the heat against time. To connect new or worn rails of different sections, with a perfect and uniform step joint, specify on all requisitions.

Q & C Rolled Steel Step Joints

They Fit like a Glove



THE JOINT AS STRONG AS THE RAIL.

Would you take a chance on a suit of clothes of paper? You say no, but why are you so inconsistent as to even consider a cast metal step joint when it is possible to secure a Rolled Steel Step Joint equally as strong as the rail. Every railroad scrap bin is full of broken and misfit cast joints, which could not possibly stand up under the sudden shocks or wheel bombardment.
